## **A LETTER FROM THE VITUITY CARES BOARD OF DIRECTORS**

### ***Building Unity in Healthcare***

Vituity Cares Foundation (VCF) is dedicated to addressing healthcare disparities and empowering the diverse leaders of our future. Since our launch in 2017, VCF programs have been implemented across the country. VCF hosts monthly pop-up medical and outreach clinics in 20 sites across the country, provides scholarships to low-income BIPOC students, and bridges the gap in representation in healthcare through educational programs for underserved students. In 2023, over 7,700 individuals were served. This year also marks our continued growth with our pop-up clinics, as we continue our efforts towards **25 by 2025: 25 clinics throughout the U.S. by 2025.**

We are thrilled to not only serve VCF as board members, but also by supporting Sparks of Unity. Efforts through this event help support our incredible participants year-round, while celebrating their resilience and highlighting the continued support of our community. We look forward to celebrating with you in October, and extend our gratitude for your part in the history of VCF. From humble beginnings to reaching 25 communities of impact: it is only possible with the support of incredible individuals and organizations like you.
